

# PARENT-CHILD HOME PROGRAM

## A PROVEN BEGINNING FOR SCHOOL SUCCESS SINCE 1965

Since 2010, staff from Deloitte's New York office have volunteered at local Parent-Child Home Program sites for Deloitte Impact Day. On Impact Day, Deloitte employees across the nation contribute their time and skills to help local non-profit organizations. Over the past three years, 10-15 Deloitte volunteers have organized "graduation" celebrations and literacy festivals for children and families participating in The Parent-Child Home Program.

Volunteers started the day by preparing gifts of backpacks filled with age-appropriate books and school supplies. They then lead wonderful graduation and literacy celebrations for the Program's families and their young children, with activities including reading corners, puzzles, taking pictures of the children and their families and then helping them make their own picture frames, finger painting and face painting, and puppet-making. The children and families have a wonderful time, and Deloitte employees have an opportunity to see first-hand the enormous impact that PCHP has on preparing low-income families for school and life success.

Deloitte Volunteers in 2010

A PCHP family is all smiles on Deloitte Impact Day
